

"HIDDEN MASTERPIECES"
9TH EDITION OF THE
"DISCOVER THE MARCHE"
TOUR ITALY MAY 21-26 2018

Dear President,
Dear Secretary,

Following the enthusiastic feedback we received from participants in former editions, we are pleased to announce that the Rotary Club tour of the Marche's "Hidden masterpieces" will take place this year too, from 21 to 26 May. This initiative, which our Club organizes in support of "END POLIO NOW", is aimed at introducing members and their guests to the treasures of the Marche Region – its architecture, art, painting, nature, and cuisine. Even though the Marche is probably one of the less well-known among Italian regions, it encompasses the country's most distinctive features; hence its

definition as "Italy in one Region". The initiative is a non-profit one. Residual amounts, if any, will be allocated to the Polioplus programme of the Rotary Foundation **and Populations so hardly hit by earthquake in Middle Italy.**

In the traditional Rotary Club spirit, we kindly ask you to inform your Club's members about this initiative, so as to enable those among them who are interested in the Tour to make their reservation with us.

The Tour will start on Monday 21 May, in the afternoon, and will end on Saturday 26 May, in the morning. It includes accommodation in a fully renovated four star Hotel in Ancona (double room with breakfast) from the night of 21 May to the morning of 26 May; the meals as set out in the programme (including drinks); the gala night on 25 May; and guided couch tours in English.

The fee is 900,00 euros per person.

Single rooms entail an additional cost of 250 euros.

No doubt the variety and prominence of the sites and works of art on the programme will impress our guests and leave them with unforgettable memories.

The maximum number of participants is 50; the initiative will be cancelled if the number of participants is below 30.

Attached you will find the detailed programme.

Should you have any further queries, feel free to contact Mr. Luigi Cafasi (Rotary Club Ancona-Conero) Tel. +39 3356404673 (luigicafasi@gmail.com). In Russia: ICC Russia – Italy Mrs Olga Kholmogorova Tel. +7 9219313548 (olga_kh2004@hotmail.com)

Reservations can be made with prepayment of 400 euros per person by 26 March 2018.

The remaining amount will have to be paid by 26 April 2018.

We are making the utmost to organise a memorable Tour for our guests.

See you soon, then. With friendliest Rotarian wishes.
