**Re: Rotary International trademark registrations in Russia  
Rotary Club of Pushkin-Tsarskoe Selo, Russian Federation**

Dear Club President Svetlana,

Rotary International owns and maintains the following trademark registrations in the Russian Federation:

- Russian Federation Registration No. 164326, ROTARY in International Classes 14, 16, 25, 41, and 42
- Russian Federation Registration No. 172575, ROTARY INTERNATIONAL and DESIGN ("Rotary Emblem") in International Classes 14, 16, 25, 41, and 42.

Rotary International charters Rotary clubs as members of the worldwide association of member Rotary clubs. Rotary clubs, including the Rotary Club of Pushkin-Tsarskoe Selo, are afforded certain privileges as part of the international association. Certain of these privileges include the right to use Rotary International's trademarks in accordance with the RI Bylaws, the Constitution of Rotary International, and Rotary Code of Policies, right to use the "ROTARY" name in the club name, and right to use the Rotary Emblem in conjunction with club projects. Therefore, Rotary International permits the Rotary Club of Pushkin-Tsarskoe Selo to use the ROTARY trademark in its name and the Rotary Emblem in conjunction with club projects.

We have attached copies of the certificates of registration for your review.

Kind regards,

Natalia Anisimova Krucker  
Coordinator, Club and District Support  
RI Europe/Africa Office
